**Opportunities for Worship Experience and Participation**

Each worship service includes a response time at the close of the service. Around the Sanctuary are locations for additional ways that you can worship this morning:

You may participate in Communion at the Creation window.

There is an opportunity to give your tithes & offerings in the containers at the front of the Sanctuary.

Someone will be glad to pray with you at the back of the Sanctuary concerning any need or concern.

Someone will share with you about Christ & your spiritual decision at the front of the Sanctuary.

You may pick up a small gift from the Growing Believers team on the organ side of the Sanctuary. There will be members from the Growing Believers Team who will give you a packet of flower seeds. You are invited to later plant the seeds (of flowers and of faith) and watch them both grow. And, if you are not currently in a Bible study class, ask one of these Growing Believers team members and inquire about a Bible Study class – they'll be glad you did – and so will you!

**Worship Care for Kindergartners & Younger**

We are always glad to have young children here at SMBC! Your child is welcome to stay with you or to attend classes during Worship where they will play and participate in age-appropriate activities and have fun!

Children younger than 2 are in Rooms 207-209 while 2-5 year olds are in Room 214. Joyce Oliver, Minister with Preschool & Kindergarten Families, will be happy to assist you. We welcome you and your child!

**WOW Worship will be in the Chapel** (for children grades 1-6)

Children will be dismissed from this service to participate in a worship service designed just for them.

At 9:45 am **Preschoolers, Kindergartners, and Children** will be transferred to their Sunday School Rooms. Parents can pick them up there at 10:50 am.
