“Lord, what do You want to do through me to carry out  
Your will for our church?”

In 1784, a Baptist church began in what became known as St. Matthews. At the time, Beargrass Baptist was the only church within a 30 mile radius of Louisville. A church merger created Beargrass Christian Church in 1842.

In the mid-1920’s, O.M. Huey, pastor of Crescent Hill Baptist Church began to REIMAGINE a Baptist presence in this area. A tent revival, held in 1926, drew about 25 people who would eventually form St. Matthews Baptist Church.

Services were held at Greathouse School. During the years of the Great Depression our church began to REIMAGINE the future. What would it be like to have a building of our own? They didn’t have enough people or money, but God was faithful and in 1935, SMBC moved to Willis Avenue.

Our church grew, and began to REIMAGINE its future again. This led to the purchase of land and a building project. Funds were tight, but God was faithful and in 1949, SMBC made the move to Grandview and Macon.

As the church grew, the need for expanded facilities arose, and in 1976, SMBC entered a major construction project, building education space, a gym, and renovating existing facilities. The cost exceeded \$1 million, but God was faithful, people gave sacrificially, and the project was soon completed.

In January 1982, a devastating fire created a need to rebuild. Interest rates were high and church attendance declining. Fortunately our church stepped out on faith, members gave sacrificially, and in 1985 moved into our present facility.

For more than 85 years, St. Matthews Baptist Church has continued to REIMAGINE its ministry under God’s leadership. Now, at the dawn of 2016, we have an opportunity to update our present facilities and create a more welcoming and secure environment for a new era of ministry. As we pray and commit ourselves to following God’s leadership, we will come together to once again do more than we can imagine.

Please join me in praying, “Lord, what do you want to do through me to carry out your will for our church?” Together, we will once again REIMAGINE the future of SMBC. I’m grateful to have the opportunity to dream a new dream with you.

It is powerful and encouraging to hear how God has been at work in the lives of our church family. The REIMAGINE Prayer Team invites you to share your story of faith! Stories may be printed in a devotional booklet or shared on social media. Can you recall a time when God provided what you needed or helped you overcome a challenge? Likely, there is a verse of scripture that either gave you inspiration or reflects upon your experience. We are asking each interested devotional writer to share a significant scripture, your faith story and a prayer. A question to ponder may also be included. Devotions should be no more than half a page. Devotions can be emailed to [Reimagine@smbclouisville.org](mailto:Reimagine@smbclouisville.org) or dropped in the collection box at the Welcome Center. A sample devotion will also be available at the Welcome Center. Deadline to submit devotions is February 14. We look forward to celebrating what God has done!
