Christmas Eve Service

Saturday, December 24; 5:00 pm in the Sanctuary

Christmas Greetings From Your Church Staff!

Jackie and I wish you a wonderful season celebrating our Savior's birth. We pray it's a time filled with love, laughter, family, and friends. -Greg Barr

This Christmas, may each of you experience the amazement that Christ coming into the world brought on the first Christmas. As you welcome Jesus into the world again this year, be his presence to those around you and to the world. -Brian Johnson

To a loving church family...I hope you feel God's presence and peace during this season of giving....my prayer is that you will share that peace with others! -Connie Lepper

May you each feel hope, be instruments of God's peace, share joy, and experience love with old and new family and friends. -Joyce Oliver

My first contact with the SMBC church family was during the Advent season of 2000. I came for my "trial Sunday" and after being voted in during the morning service, I stayed for the church Christmas dinner. I will always remember serving tables that night and grateful that I've had the blessing of serving with you ever since! -Tim Galyon

My first Christmas memory at SMBC was in 1977 in the "old" sanctuary where Richard and I were married. Memories of the "old" sanctuary and making memories in the "new" sanctuary provide two wonderful backdrops for sharing Christmas with our cherished church family. Wishing you a blessed Christmas season. -Charlotte Hibbs

And, from the rest of us: Merry Christmas to all!

Thank You

Dear Staff and Members of St. Matthews Baptist Church,

On behalf of my family and myself, we wish to thank you for the beautiful floral arrangement and the many cards and words of encouragement during the saddest period in our lives with the loss of my daughter and only child. It is a blessing to feel so much love and encouragement.

In Christ,
Jacque Myers

Tip for Loving Children

Mark Jones of Mr. Mark's Classroom recently quoted Matt Chandler from a sermon on parenting on May 1, 2016: "One of the keys to parenting (and I believe one of the calls on your life) is to love the kid you *have*, not the one you *want*...This is a terrible thing to see in this area, where what we wanted was an *athlete*, and what we got was a *reader*. Or what we wanted was a *reader*, and what we got was an *athlete*. You love the kid you have, not the one you want." The call for each of us is to accept the children we have—in our family, in our classroom, in our neighborhood. Each of them is specially designed by God to be their unique self. Who will you love and encourage this week?

Shepherd's Class Teacher Needed

St. Matthews Baptist Church is blessed with several adults with special needs. We believe each one is created in God's image and has a unique purpose. Our mission is to help them live life to the fullest while discovering their God-given talents. Our Sunday morning Bible Study class is called the Shepherds Class. We utilize a team teaching approach where the adult learners can learn through Bible stories, crafts, games—all with lots of love and grace. We have some teachers in the Shepherd's Class who are there every week, while others serve on various Sundays. We are currently in need of a teacher for the third Sunday of each month. If you have an interest in serving these special adults, would you contact Joyce Oliver at 502-608-8047 or at JOliver@smbclouisville.org? Let's talk and see if this ministry opportunity is a fit for you.

2016 Christmas Connection

December 1-3, SMBC, in partnership with the Baptist Fellowship Center, provided a Christmas boost for 51 families in the West End of Louisville. Within those 51 families, 161 children will have a merrier Christmas as a result of all that was done on those days.

This year's Christmas Connection effort began back in October as we gathered for a Disney-themed night of music and fun that successfully raised close to \$12,000. During the weeks between the concert and the Christmas Connection event, many were involved in the extensive preparations. Gifts and blankets were bought, uniforms and Bibles were ordered, and gift bags were prepared. The game room at our church looked like a storage room for Santa's toy shop.

On Thursday, December 1, 19 individuals loaded the truck, transported the goodies to New Zion Baptist Church, and organized the tables. On Friday, December 2, 14 from our church spent the morning wrapping presents.

Then came the big day! Saturday, December 3, we had 66 individuals from SMBC combined with a couple dozen from New Zion Baptist who helped the families select the toys and collect their blanket, Bible and uniforms. Children, youth, and adults all joined together to make the morning run smoothly. After such a big effort to make the Christmas of so many better, all that can be said is thank you! Thank you for giving your money, donating your time, offering up your prayers, and lending your services!

While we might never know the full impact of this ministry, we do know that there were lots of smiles and lots of conversations both between those giving and those receiving as well as those giving from our church and from New Zion Baptist. Connections were made this Christmas because of each one who gave of themselves so freely. If you missed out this year, there's always next.
